### Statement from the Prime Minister of Canada

It is with great pleasure that I congratulate the *Vancouver Shinpo* on their 2022 Edition of Vancouver Shinpo-Japanese Canadian Online News.

The *Vancouver Shinpo* is a Japanese-language weekly newspaper that works hard to cover news from Japan, as well as local news, Canadian news and international news benefiting readers who are mainly Japanese visitors, students, and immigrants in Western Canada. It is a shining example of an organization that works hard to provide pertinent information for Japanese immigrants, supporting the Japanese community in Canada.

Despite the pandemic, I would like to take this opportunity to recognize the remarkable work that ethnic media, like the *Vancouver Shinpo*, have made in enhancing our nation's diversity as we continue to make our country a better place for everyone.

Congratulations on the 2022 Edition and best wishes for the years to come!
